

Small Business Reference Center - Searching for Videos and Images

Small Business Reference Center allows users to search available business videos and Image Quick View images from the top toolbar of the Basic Search screen. You can also access the Business Videos search screen from Small Business Videos area of Basic Search.

To search business videos:

1. From the Basic Search screen, click the **Business Videos/Images** link in the top toolbar.

2. Enter your search terms in the **Find** field, apply any desired Image Quick View limiters and click **Search**.

A result list of business videos and images matching your search terms is displayed, defaulted to show Small Business & Entrepreneurship Videos.

3. Click on a Flash video link to view the video.
