

## Legal Information Reference Center - Basic Searching

The Basic Search screen is the default search screen in *Legal Information Reference Center* and offers keyword searching as well as the ability to browse by category, browse popular sources, and browse start-up information by state.

To create a Basic Search:

1. From the Basic Search Screen, enter your search terms in the **Find** field and click **Search**.

A Result List of articles that match your search is displayed.

2. Click on the title to view the article details screen, or click the full-text link to view the complete article. Hover your cursor over the preview  icon to view article details, or click the folder  icon to save the article to your personal folder.

**Notes:**

- The **Find** field is displayed above the Result List. Your search terms, limiters, and expanders are retained.
- To revise your search, you can apply the limiters under **Refine Results**. Click the **Show More** link to view all available limiters and expanders.
- If you click the **Legal Information Reference Center** logo, you are returned to the Basic Search page with all your search terms *cleared* and any configured search parameters *reset*.
- If you click the **Advanced Search** link, you are taken to the Advanced Search Screen with all your search terms *cleared* and any configured search parameters *reset*.
